

IntegriCo Composites of LA, a leading manufacturer of composite railroad ties, is seeking highly motivated, results oriented Facility Maintenance Technicians for its Sarepta, LA location.

**Required Qualifications:**

- Mechanical, electrical, instrumentation, or industrial maintenance AA degree; completion of apprenticeship; or equivalent years of education/production maintenance experience
- Strong mechanical/electrical aptitude and understanding of manufacturing equipment and systems/manufacturing processes and procedures
- Computer literacy; excellent organizational, planning and execution skills
- Ability to follow directions; read and apply OEM protocols
- Competencies: technical capacity, ethical conduct, communication proficiency, results driven, initiative
- Work in cooperation with Maintenance Supervisor and Chief Technical Officer.

**Essential Functions:**

- Perform highly diversified duties to install and maintain production equipment.
- Provide emergency/unscheduled repairs of production equipment during production, and perform scheduled maintenance repairs of production equipment during machine service.
- Perform simple machinist duties and responsibilities.
- Perform mechanic skills including, but not limited to, mechanical, electrical, pneumatic, hydraulic, troubleshooting and repair of production machines.
- Read and interpret equipment manuals and work orders to perform required maintenance and service.
- Diagnose problems, replace or repair parts, test and make adjustments.
- Perform regular preventive maintenance on machines, equipment and plant facilities.
- Perform general facility maintenance as required (plumbing/HVAC)
- Use a variety of hand and power tools, electric meters and material handling equipment in performing duties.
- Detect faulty operations, defective material, and report those and any unusual situations to proper supervision.
- Comply with safety regulations and maintain clean and orderly work areas.
