

IntegriCo Composites of LA; a leading manufacturer of composite railroad ties; is seeking a highly motivated results oriented Production Supervisor for its Sarepta, LA location.

Required Qualifications:

- Computer literacy, excellent organizational, planning and execution skills.
- Ability to implement, instruct, enforce and promote safety practices and regulations.
- The ability to control cost and waste through efficient use of manpower and faculties while maintaining acceptable quality levels.
- The ability to identify mechanical problems and monitor equipment to ensure that operations run efficiently.

Essential Functions:

- Responsible for work schedules as directed by the Finished Goods Manager.
- Assure accountability for the movement of materials both raw and finished.
- Responsible for identifying malfunctions in the process, which may yield nonconforming product or cause damage to tooling or equipment.
- Communicate the duties and responsibilities, work requirements and job expectations to the Production Operators.
- Provide moral and technical support to all positions reporting to the Production Supervisor.
- Schedule operator relief for scheduled breaks and job rotations.

Please send letter of interest and qualifications to:

Darlene Harrison. Office Manager
